Take Me Out To The Ball Game: Who said you have to be a good hitter or good pitcher to be a part of the baseball team.

If you are a math "wiz" and computer "guru" the baseball program wants you to be a part of its varsity baseball team this year. Baseball is looking for a stats "fanatic" to keep score and a computer "genius" to update and maintain the baseball website. If you meet one or both of the criteria, see Coach Buck as soon as possible. Some perks include game hats, cloth and travel with the team. Positions are open until filled. Come be a part of our great program. (Buck 12/01)

Soroptimist Award: Soroptimist International of Redding is inviting applications for its "Violet Richardson Award" honoring young a woman between 14 and 17, who is caring, compassionate, creative and most of all, committed to making the world a better place. Please see Karen Deaver in the Counseling Department for further information. (Deaver 11/20)
