

- Shasta Union/CTE Fire Academy is located at Foothill High School and is open to all SUHSD students.
- Fire 1 is open to juniors.
- Fire 2 requires completion of Fire 1 and is competitive.
- Our program is self sufficient with our own fire engine, training building and equipment.
- CTE is a hands-on class; we wear uniforms and do physical training weekly.
- Completion of the two year program will give you the certifications needed to apply for entry level firefighting jobs.

Shasta Union High School District Career Technical Education

SUHSD Fire Academy

Shasta Union Fire Academy is a program designed to give high school upperclassmen job knowledge, life skills and the correct attitude necessary to pursue an entry level position within the fire

and
emergency
medical
services.

**Our program receives
direct support from
College of the
Siskiyou, Sacramento City
Fire Department and the
United States
Forest Service.**

Career Technical Education allows students, educators and employers to strengthen the relationship between what is being taught in the classroom and its application in the workplace.
