

Shasta Union High School District (SUHSD) is providing an opportunity for families to pick up two meals daily, (breakfast and lunch for the following day), for all children 18 and under at all of their high schools (Including Shasta High, Foothill High, Enterprise High and Shasta Learning Center) as well as multiple locations throughout Redding/Shasta County.

The Shasta Union High School District Superintendent states that you can pick up as many meals during this service based on the number of children that are in the car at the time of pick up. All meals will be served near the front of the school so they are easy to find and for fast and friendly service. This begins on Tuesday, March 17 at all four SUHSD school sites from 11:30 a.m. to 12:30 p.m. This service will continue until Friday, April 3, with some possible location changes based on the numbers of participants at each distribution site.

SUHSD is committed to providing excellent high quality lunches and breakfasts with different meal choices each day including PBJ Uncrustable Sandwiches, Gourmet Deli Subs Sandwiches and their Most Excellent Schoolhouse Pizza. Breakfast Items will include Whole Grain Low Sugar yet delicious 6 pack Mini Donuts and Whole Grain reduced fat *but flavor filled* double Chocolate Muffins.
