FFA Cookie Dough: Foothill agriculture students will be selling “Cookie Dough Tubs” in the month of October. Ask Ag Mechanics or Ag Science students today to place your order!

Donations for Zogg Fire Animal Victims: Foothill FFA is collecting grass/alfalfa hay bales to donate to Haven Humane Society. They are helping feed livestock that owners were forced to leave behind the evacuation lines of the Zogg Fire. It’s a short turn around, we’re only collecting for October 1st & 2nd since we aren’t sure how long this will last. We will deliver Friday after school. We know we have a lot of livestock families at Foothill even if they are not taking Ag classes! We will be taking collections at the Ag Shop. Contact Mrs. Gross if you have any questions!
