

Anaheim 2010

February 22, 2010

Dear Parents,

To all of you who helped make our show great, thank you so much! This was the finest Club Cougar I have been a part of; because of our wonderful students and our incredible team of parents...I can't thank you all enough.

Now that the show is over, I need to barrage you with Anaheim information. This has been a long time coming – I received the transportation quote during the show, but decided to wait till Club Cougar was done to present it to everyone.

In your packet are several forms that need to be signed and returned right away. In addition, many of you still need to log on www.heritagefestivals.org, click on the “Register Online” button, enter your group ID: 52457, and register you student for the trip through Heritage Festivals.

I am quite pleased with the price of our trip. The transportation quote came in lower than we projected, and we are covering a lot of meals for the students. If you would like more of a breakdown on the cost of the trip, please attend our March 1st Booster's Meeting in the band room at 6:30pm.

Students have been instructed since the beginning of the school year to get \$200 in their accounts by the end of *September*; a goal which many students did in fact accomplish. Now, we must push to get student accounts up to the total cost of the trip. In a month (by March 22nd) students need to have \$300 in their accounts and final payment for the trip must to be paid by our April Booster's Meeting on April 19th.

For now, I will keep this brief (yes, for me, this letter is brief! ☺). I want to encourage all of you to come to our Booster's Meeting on March 1st to learn more information about the trip and to get any additional questions you may have answered.

Thank you,

Mr. Bahr
