

CTE Class FAQ's

- **What is CTE?** CTE stands for Career Technical Education. CTE classes give students hands on learning and training to help them decide on possible career choices for their future.
- **Where can I get more information on CTE classes?** In every Career Center on each campus, see the Career Technician and or go to: Shasta Union High School Career Technical Programs.
<https://www.suhsd.net/Departments/Instructional-Services/Career-And-Technical-Education/index.html>
- **Is it possible for my student to drive to their CTE class?** The district provides bussing for our CTE students. See your Career Technician for bussing schedule. If you have a specific request for driving, see the Career Technician on campus. Driving forms must be signed by the principal at each site and filled out before any student has permission to drive.
- **Does my student have to buy a parking permit to park?** No, students do not need to purchase a parking permit however a driving form does need to be on file. See your Career Technician for this form. SHS campus does require use of a black permit if you park on their campus. Not parking in designated areas for CTE will result in a parking ticket. Bus transportation is offered for every campus. See your Career Technician for the bus schedule.
- **Where does my son/daughter go if they miss the bus to their CTE class?** Your student reports to the Career Center on campus, sign's in and does homework until they are dismissed for the passing period. Attendance is notified once they arrive in the Career Center.

- **If my son/daughter is feeling ill at school before the bus leaves to go off campus what should they do?** They should let the Career Technician know and she can take them over to the school nurse. The Career Technician will email the CTE teacher/call them and let the attendance office know.
- **Does my student miss brunch if they attend CTE classes?** Previously students would miss brunch however with our new start time of 8:30, brunch now falls where CTE students can get brunch at the campus that they are at.
- **What if my student is in band, cheer, or ASB and needs to be excused for a special event at school? Can they miss their CTE class?** Students need to put their class first regardless of the activity if possible. If the student needs to miss their CTE class, they need to be excused prior to the event. This may require an activity release form to be signed by the teacher.
- **May a student take a CTE class if they are enrolled in College Connection as a senior?** No. College Connection is held at Shasta College and does not allow for enrollment in CTE courses.
- **Who do I call if I need to get my son/daughter out of class for a family emergency?** You may call the school your student is enrolled at and ask for the attendance office. Your student and their CTE teacher will be notified.
